Applicants sought for Napa County Resource Conservation District Board of Directors

Napa – The County Executive Officer announces one opening on the **Napa County Resource Conservation District Board of Directors**, with the term of office to commence upon appointment and expire November 27, 2024. **The recruitment will remain open until filled.**

The Napa County Resource Conservation District Board has requested that the Napa County Board of Supervisors make this appointment under Public Resources Code sections 9314 and 9316 in lieu of holding an election.

Interested applicants must be registered voters in the State, must reside within the District, must either own real property in the District or act as the designated agent of a resident land owner within the District, or have served for at least two years as an associate director of the District providing advisory or other assistance to the Board of Directors, must not hold an incompatible public agency position during the term of office, and must demonstrate an interest in soil and water conservation. Access the District's Strategic Plan and learn more about its programs here: https://naparcd.org.

Anyone interested in consideration for appointment must submit a completed application form. Application forms are available at the County Executive Office, 1195 Third Street, Suite 310, Napa, CA 94559, telephone (707) 253-4421 <u>or</u> online at <u>https://naparcd.org/boardvacancy</u>. When you are on the webpage, click on the link to access the Napa County application portal, scroll down to the heading **"Apply,"** then click on "<u>Application Form</u>." The "Application for Appointment to" field should designate "Napa County Resource Conservation District," and the "Category of Membership" should specify "Director."

The Board of Supervisors and staff of Napa County are dedicated to preserving and sustaining Napa County for present and future generations as a community with generous open space, a thriving agricultural industry, and a quality human and natural environment.
