

Santa Clara Rural Roads Field Trip

*Showcasing best management practices
for rural road improvement and maintenance*

Thursday, October 5, 2017

9:00 a.m. to 3:00 p.m. (Check-in at 8:30 a.m.)

Meet at Miller Point Parking Lot, Lexington Reservoir County Park, Los Gatos
Registration Fee of \$10.00 (pre-registration required, but can pay at the door)

This is a unique opportunity for rural residents, agricultural producers, and agencies responsible for maintaining and improving generally unpaved roads to view recent and in-progress road improvements constructed with practices intended to produce environmentally and hydrologically sound roads for residential, agricultural and recreational

purposes. Well-constructed roads can help reduce erosion and decrease sediment in local reservoirs and streams, improve water quality and wildlife habitat, reduce ongoing maintenance costs, and enhance the ability of emergency responders to provide services.

RSVP to Guadalupe-Coyote RCD: 408-288-5888 or gcrcd@gcrcd.org

Transportation will be provided by charter bus. The parking area is fairly remote, so please do not leave valuables, bikes, etc. in or on your vehicles. Both stops will involve non-strenuous walking of up to 1¼ mile, so please wear appropriate shoes and clothing. Participants are responsible for bringing their own lunch, sunscreen, and personal items. Water and snacks will be provided. Directions to the parking lot are [here](#).

This field trip is offered through the USDA-NRCS/Guadalupe-Coyote RCD Rural Roads Program, and is co-sponsored by CAL FIRE, the Northern California Society of American Foresters, Loma Prieta Resource Conservation District, University of California Cooperative Extension, California Geological Survey, Santa Clara County Parks, Midpeninsula Regional Open Space District, San Jose Water Company, and the Santa Clara Valley Water District.

Persons with disabilities who require accommodations to participate or alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language, etc.) should contact GCRCD or USDA's Target Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. The USDA is an Equal Opportunity Provider, Employer and Lender.
